WHO SHOULD FILL OUT AN APPLICATION?

If your total household income is the SAME or LESS than the amount on the chart or you receive Basic Food, take part in the Food Distribution Program on Indian Reservations (FDPIR), receive Temporary Assistance for Needy Families (TANF) for your children or are applying for a foster child, fill out the application. Return the application to your child's school or to the district office. Be sure to submit ONLY ONE application per household. We will notify you if the application is approved or denied.

Look at the chart. Find your household size. Find your total household income. If members in the household are paid at different frequencies and you are unsure if your household is eligible, fill out an application and we will determine your income eligibility. The information you give will be used to determine or prove your child's eligibility for free or reduced-price meals. This information may also be used for other state or federally funded school related benefits.

Foster children MAY be eligible for free and reduced-price meals regardless of your income. Each foster child needs their own application. If you have questions about applying for meal benefits for foster children, please contact us.
