

MISSION

Anacortes School District #103, in partnership with families and community, assures learning experiences to help all children develop knowledge, skills and attitudes fundamental to achieving individual growth and personal satisfaction, while becoming responsible, contributing citizens in a rapidly changing and increasingly interdependent world.

2007-08 Goals and Objectives *Charting a Course to Excellence*

School Ready

Implement *Comprehensive School Readiness Program and Early Childhood Center* strategies, action plans and assessments for measuring progress toward 2007-08 District performance goals as measured on the District Dashboard

Transition Ready

Implement *Transition Readiness* strategies, action plans and assessments for measuring progress toward 2007-08 District performance goals, as measured on the District Dashboard, of our students successfully transitioning to Middle, High School and College programs.

College Ready

Implement *College Readiness* strategies, action plans and assessments for measuring progress toward 2007-08 District performance goals, as measured on the District Dashboard, of our students successfully transitioning into college level instructional programs.

Communication

Implement a comprehensive communication plan designed to report the District's progress towards its strategic plan of *Charting a Course to Excellence*.

Collaboratively work with Leadership, Levy Committee and Communication Committee to update the District's comprehensive communication plan.

Continue to communicate openly with our public not only the District's strengths, but its challenges

Facilities/Bond Recommendations

Present comprehensive *Facilities/ Bond Recommendations* to the Anacortes School Board in November 2007
